# Reporting

- Anyone can report
- It can be reported anonymously
- Students/parents/staff can report via the website
- Students can tell a staff member

# What Happens After It Is Reported?

- Administrators will acknowledge receipt of your report in three school days
- A preliminary review of the incident may be conducted to determine need for the investigation
- If warranted, an investigation will be conducted and completed within 10 days
- Parents of the victim and bully will be notified of the results and the school will take appropriate action

# What will the school do?

- Increase supervision
- Restructure or change schedules
- Pair the Targeted student with other children who will not support bullying
- Counseling, to learn effective coping skills
- Additional education for targeted groups of students

# What Can I Do To Prevent?

- Talk to your child – ask questions
- Know where they are going
- Know what they are doing
- Set limits/boundaries
- Monitor your child's behavior

# What about Cyberbullying?

- Cyberbullying is no different than bullying except that a device such as a cell phone or computer is used
- It is just as important that you look at their device
- Check emails and texts
- Check sites that may have been visited
- Talk about what is on their phone/computer
